2018 PROGRAM GUIDE

WELCOME

Welcome to Your Adventure

Adult Leaders & Parents,

Thank you for considering Cub Scout World, the place where Scouting adventures are ignited. We take great pride in our work at Cub Scout World and we wish to provide every one of you with the best experience possible. This guide is intended to assist all leaders and parents that are attending camp. It is important to read through this entire guide to be aware of this year's amazing resident camp program. At Cub Scout World, we pride ourselves on our ability to refresh and renew our program every year, while continuing to offer the classic outdoor experiences. Again, this summer we will provide an experience that will be filled with fun and adventure. Let your imagination run wild during your stay, and in the process earn Cub Scout advancement along the way.

This guide contains most of the details regarding resident camp. The Point of Contact (POC) and unit leadership should carefully read this guide to ensure the unit is prepared for their resident camp experience.

If you look through this guide and find that there is information missing, please share that with our team. We are always looking for suggestions to improve for next year. The Bay-Lakes Council appreciates your continued support of the Scouting program and sincerely hopes that this year's resident camp will be one of your greatest Scouting experiences. We look forward to seeing you at Cub Scout World!

Warm Regards,

Michael Thunes

THEMING

Passport to Adventure

The theme for our 2018 Cub Scout & Webelos resident camps is “Passport to Adventure.” The “Passport to Adventure” is a global travel theme that will be applied to theme buildings, program, décor, and the food experience. We’re also excited to host an International Camp Staff member at Cub Scout World. This special guest will talk about Scouting in their country during a special presentation to each theme building at camp.

We’re excited to host you this summer as we explore the world around us. Pack your bags and prepare for a whirlwind adventure!

Themes of Buildings

Each theme building at camp has been themed to a specific country. To increase the experience, feel free to have Scouts and adults bring cloths that fit the theme of the building. This is optional, but we feel it will greatly increase the fun. Our camp staff will be in themed clothing.

Viking Ship | Norway

Norway is a Scandinavian country that was ruled by the Vikings for 250 years.

Space Station | Japan

Japan is known for advanced robotics and improvement in space exploration through the Japan Aerospace Exploration Agency.

Castle | Scotland

Scotland is filled with beautiful castles and rich culture.

Train Station | Spain

Transportation is key in Spain using high-speed AVE trains, that link major cities at a speed of 186 mph.

Fort | Madagascar

Madagascar is well known for its rich plant life, diverse animal populations, and the island safaris it offers.

Themes of Other Areas

Ranges – Australia

Office & Trading Post – Antarctica

Dining Hall – Hungary
