

# SCOUTS | BSA SUMMER CAMP 2020

**TWO AMAZING CAMPS.  
ENDLESS ADVENTURES.  
UNFORGETTABLE MEMORIES.**

## BEAR PAW SCOUT CAMP

14000 BEAR PAW LANE  
MOUNTAIN, WI 54149

**Bear Paw** offers a range of program options for everyone from the new Scout that just joined the unit to an Eagle Scout looking for adventure, and even adult leader programs. When not taking part in one of our awesome programs, Scouts can enjoy the great sites around camp from our spacious chapel on a wooded point overlooking the water, to the lakeside fire circle, or the nearby mountains and water falls. Memories will be made in the dining hall at meals and during evening council fires and ceremonies. Hiking trails range from short, in-camp jaunts to destinations such as Explorer Point, to longer treks to Oconto County which features destinations such as Lost Mountain, Staff Mountain, and Waupee Falls. Marked cycling trails up to 50 miles long criss-cross the peaceful forest roads in the vicinity of camp. As you can see there is more to do than will fit in just one week at camp. Are you ready for a mountain-top experience?

## CAMP HIAWATHA

E6350 DOE LAKE ROAD  
MUNISING, MI 49862

Scouts camping at **Camp Hiawatha** have the opportunity to experience the outdoors and appreciate its bounties by sleeping in tents, cooking and eating meals in the outdoor setting, exploring the many nature trails, watching the loons swim about the lake with their chicks, or watching the grand night skies. The opportunity to learn and apply outdoor skills helps to reinforce the "Outing" of Scouting. Camp Hiawatha is the ideal setting for older Scouts to put their Scouting skills to the test on one of our high adventure treks around and out of camp. For your Scouts that stay in camp to work on a wide range of advancement and try new things, Camp Hiawatha will provide a patrol-style camping experience. Campsites have a shower house, flush toilets, patrol shelters and a central fire ring. Come be apart of an authentic Scouting experience at Camp Hiawatha!
