COVID Form

Your safety and the safety of all our members, volunteers, and employees is the top priority. We continue to monitor the information provided by health experts and government agencies to help keep safe those who choose to participate in events.

Our council leadership is coordinating with state and local health departments to ensure we are informed of and comply with their guidance to mitigate the risks of COVID-19 being contracted at events. Everyone attending camp will need to review and complete the [COVID Participant Statement](#).

Health Form

A health form is required for everyone attending camp. Completed forms can be sent to our central office at the address below. We encourage you to keep a copy of your form and bring with you when you check-in to camp. These forms will be maintained by the camp in compliance with State requirements. For the camp you are attending you will need to have a physical signed by a doctor completed on Part C and a current Tetanus Immunization (within 10 years).

Membership Application

All youth attending camp will need to complete a [youth application](#) to join the Boy Scouts of America. The membership fees are included in your fee for camp. This will allow you the opportunity try Scouting in the fall. We will help you find a unit in your community.

Dietary Form

As we try to meet the needs of all our campers, we try to accommodate any special dietary requests. Please complete the [Special Dietary Request Form](#) by June 1.
