7:00PM – 9:00PM	Program
10:00PM	Star Hike
10:30PM	Quiet in Camp
11:00PM	Lights Out

#### Program Snapshot

When you think of summer camp, you think of swimming and hiking, right? Well we offer more than just your basic activities. Our schedule shown above allows time each day to work on specific skills. By the end of the week, you'll go home with a completed Merit Badge. Things to look forward to: Lifesaving, Kayaking, Mammal Study, Oceanography, Photography, Sculpture, and so much more!

#### Accommodations

Your young person will get to stay in the beautiful outdoors! We will ask that you bring a tent, but if that is an issue, we can work something out. Each campsite features a latrine and showers are available during your stay.

#### Food Service

We are lucky to have plenty of room to serve everyone at camp, even with COVID precautions. We have fully equipped dining hall and cook staff and we are also prepared in the event we still need to social distance during meals. There is space to eat in each program area and even more space outside. Food would be delivered directly to your group.

#### Trading Post

While your son or daughter is at camp, they'll have an opportunity to check out the camp store, also known as the Trading Post. There's plenty of healthy snacks, candy, trinkets, wilderness tools, clothing, and slushies to go around. If you've never tried a slushie, this is your opportunity! Items range from \$.50-\$30 depending on what you are purchasing. There are some clothing items for adults that tend to run a little more expensive depending on size.

#### Camp Lingo

There are a few terms that are familiar to camp and we want to make sure you are in-the-know before coming to camp. Buddy/Truddy is used to describe groups of 2 or 3 that we encourage youth to move through camp in. Leave No Trace is an eco-friendly training we encourage the use
