

BEAR PAW SCOUT CAMP

Discover Your Adventure

Nestled on the shores of beautiful Bear Paw Lake 5 miles east of Mountain, Wisconsin in the Nicolet National Forest, Bear Paw Scout Camp has a week-long resident summer camp for Scouts BSA.

Bear Paw offers a wide range of program options for everyone. From new Scouts that just crossed over to an Eagle Scout looking for adventure, to your adult leaders; Bear Paw has programming for you. In addition to our awesome programs, scouts can enjoy great sites around camp; wooded points that overlook the water, lakeside fire circle, or the nearby outcrops and waterfalls. Like to roam? Countless hiking and biking trails are waiting for you to explore in and around camp. Memories will be made in the dining hall at meals and during the evening events. Looking to cook your own meals, Bear Paw also offers patrol cooking, with a dedicated commissary building. As you can see there is more to do than will fit in just one week at camp. Are you ready for a mountain-top experience?
